A low-angle, upward-looking photograph of several tall, modern apartment buildings. The buildings are light-colored with many windows and balconies, creating a strong sense of height and urban density. The sky is a clear, pale blue. The image is split into two main sections by a horizontal teal band.

Nuestros monederos KEYA están diseñados para ofrecer el máximo rendimiento.

Como en todos los productos industriales de calidad, es necesario un buen uso para asegurar el máximo rendimiento y durabilidad en el producto.

Muchos de nuestros monederos son adaptables a la mayoría de monedas, consúltenos para más información.

En ambientes húmedos y para mantener seco el cilindro, recomendamos el uso de lubricantes regularmente, una vez al mes, con el spray anti-humedad BESLUX de la empresa Brugarolas, S. A., disponible en distribuidores especializados o directamente en Talleres ABSA.

Our KEYA Deposit Locks are built for heavy-duty facilities.

Like all quality industrial products, regular care during its use is required to ensure maximum service and life of the product.

Many of our coin locks are adaptable to most coins, ask us for more information.

In order to keep cylinders dry in humid locations, we recommend lubricating them regularly, once a month, with the anti-humidity spray BESLUX from Brugarolas, S.A., available from specialized dealers or directly from Talleres ABSA.
